Pakistan Flood Relief - Clothes Donation

PSV Management is in the process of organising to collect and send a container of Clothes to the flood-affected people in Pakistan.

If you have any clothing (new or old) / please make sure they are properly washed and securely packed in a carton or in a solid Plastic bag. Please attach a brief list of Contents on the Carton or bag so that receiving agencies can easily identify sort and distribute the clothes. Please only put in clothes & garments and no other items.

These can then be dropped off at Panjtan Centre (21 - 23 Adelaide St, St Albans) on:

- Eid Day after Eid Prayers. OR
- Sunday, 12 September 2010 after Namaz Zohrain (01:00 PM approximately)

Please Note - Due to space constraints at Panjtan Centre - no Clothes Cartons or Bags will be accepted before Eid Day. Mo'mineen are requested to co-operate and not to drop any clothes at Panjtan Centre before that date.

On Eid Day, leave the clothes in the car till after the completion of Eid Prayers and then bring the clothes inside with the help of our volunteers.
